Mr. Garudachar of Nagamangala.

The President opened the proceedings by explaining the steps taken to give effect to the rules under the Village Sanitation Regulation which received sanction of Government since the last meeting of the Board.

He next referred to the correspondence which had taken place with the Deputy Commissioner in view to strengthen the staff of Work Inspectors for the sub-division which was also one of the chief topics of discussion at the last meeting.

2. The discussion of the Budget Estimates of Receipts and Expenditure for the year 1899-1900 was then taken up.

RECEIPTS.

3. The Receipts are estimated at Rs. 43,090 against Rs. 50,355-13-0, the actuals of the year 1897-98. This difference is chiefly owing to the omission of the provision under grant-in-aid of Rs. 7,084 which had been made during the year 1897-98 from Local Funds General to be expended on two important works, viz., (1) widening the bridge across the waste weir of the Devirammanakere in Krishnarajpete and (2) opening out a fair weather road from Krishnarajpete to Bandahole. The other smaller differences between the estimates and the actuals arise from items which are necessarily uncertain and fluctuating and do not, therefore, call for any explanation.
